RE: Areas 3A and 3B CDL and  
Certification Sampling PSP

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Certification Design letter (CDL) and Project Specific Plan (PSP) for certification sampling for Areas 3A and 3B.

The documents appear technically adequate and are consistent with previously similar CDLs and PSPs. Therefore, U.S. EPA approves the Area 3A and 3B CDL and PSP for certification sampling.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
